7/31/2014	2.0.0		Added Features	1.0	1.0		
10/22/14	3.0.0		Added Features	1.0	1.0		

### Application Owner/Analyst/PM Contact Information

Application Owner/Analyst Name/Point of Contact (POC)	VA E-Mail Address	Phone Number

### Mobile Application Information

Intended Audience (User) for Mobile Application: Intended Audience (User) for Mobile Application: ☐ Veteran ☐ Caregiver ☒ Provider ☐ Public

### Scope of Integration

This section puts the mobile application into perspective with other related products. If the application is independent and completely self-contained, it should be stated here. If the mobile application is a component of a larger system then identify the specifications of the larger system to the functionality of the mobile application and identify the interfaces between the larger system and the mobile application.

Patient viewer is a Container application containing applets of various functionalities in the VAMF. Please see the [PV 3.0.0 SDD](#) for a detailed description of the components, interfaces and specifications of the larger system to the functionality.

### Application Expected Workflow

Describe and/or model the expected workflow.

The Patient Viewer app provides a mobile capability for VA clinicians to view patient data.

### Laws and Regulation

What laws / regulations cover the implementation of the app? (To ensure compliance)

Standard Veterans Affairs Compliance Policy

### Legal, Copyright, and Other Notices

List any legal disclaimers, warranties, copyright notices, patent notices, word mark, 508 disclaimers and/or trademark logo issues associated with this mobile application.

N/A

### Business Needs

Ref. ID	Need	Business Value
1.	Provide mobile capability for viewing patient data	

### System Features

Feature Name	Inputs	Outputs
See <a href="#">PV 3.0.0 SDD</a>		

### References

Reference Description	Link or Attachment
Provide the names of all documents referenced in this RSD – Addendum.	
N/A	

### Program Level Requirement Changes

List any required changes to Mobile Applications program-level RSD	JIRA Change Request Issue Number	Link or Attachment of Change Pages
N/A		

## Requirements

### Functional Requirements

EPIC ID/Name	FEATURE ID/Name	USER STORY ID/Name	Associated USER STORY Acceptance Criteria
