APPOINTMENT PROFILE

New Appointment - Provider Added - Time Slots by Month

- The “by Month” view shows time in calendar form
- Each calendar day displays its date, and the number of available slots
- Today is highlighted
- Susan can navigate across months by either a) swiping back and forth on a touch screen, b) selecting a specific month from the month drop list, or c) clicking/tapping the forward and back arrow to advance or recede one month at a time.
- This is meant purely as a high level view and navigation method -- appointment slots cannot be selected from this view.
