Appointment Policies

PROVIDER PROFILE

- IDENTIFICATION
- Identification data for provider, including things like age, religion and languages which maybe relevant to patient preferences
 - Tap/Click picture to change
 - This data may not be editable, rather inherented from another system, in which case there would be no “Save” button but perhaps a “Sync” button instead to get the latest
 - the “Specialities” box can list multiple

- CONTACT
- Multiple phone/pager number
 - Multiple email addresses
 - “Sites” and “Facilities” show single items
 - There could be multiple “Clinics” listed

- SCHEDULE
- Like the schedul on HOME / TODAY, except each column represents a different day rather than a difference provider for the same day.

- APPOINTMENT POLICIES
- * Defines blackout days/times
 - * Define dat start end times
 - * Define slot length
 - ** It is incomplete, ran out of space
